Professional Ice Melter®, the truth is in the Performance

- **DEFROST®**
A powerful melting agent that greatly enhances melting speed and increases effective temperature.
- **Less Waste**
Improved granule sizing allows for maximum control and less waste. Formulated with an organic anti-sticking agent to avoid clumping and provide longer storage life.
- **Environmentally Friendly**
Safer for vegetation, skin, concrete, metal, vehicles and carpeting. Providing the most effective snow and ice melting – quicker and better.
- **Extra tough packaging**
High quality, industrial strength and anti-slip packaging provide better storage and reduce mess.
- **Less corrosive**
Special ingredients have been added to reduce corrosion to metal, electrical outlets and automobiles.

Professional Ice Melter® comes in variety of package sizes. 10lb., 20lb., and 50lb. bags, a 40lb. tub, a 9lb. jug, and a 50lb. box.
